A CALM INTROSPECTION

- Do you think your students have the futuristic leadership qualities to secure a decent job and excel in this ever- challenging world?
- Do you think your students have the potential to unlock their Entrepreneurial capabilities?
- Do you believe your students posses the right Character and Behavior required for exhibiting integrity and winning Respect and Trust in the Society?
- Do you believe that each one of your students are unique and has different NICHE capabilities?
- And,do you believe that your students know those NICHE capabilities on their own?
- If no, do you feel that your students need to be guided to find their NICHE capabilities and uncover their uniqueness?
- Do you think, your faculty members are giving their best to guide the students to uncover their leadership qualities, characters, behavior, uniqueness and NICHE capabilities?

(If the answer is “No” for the last question, then your students need “Unique Icons” Program)

HERE'S HOW UNIQUE ICONS CAN HELP YOU

- **By organizing our program in your campus, your students will feel more appreciative of your Management because it will disclose so much about who they are and what they plan to do in the future. And not to mention explicitly, their chance of getting employed will be tripled.**
- **Your students Character and Behavior will be positively impacted by this program since,once they have clarity about themselves and their niche, they tend to concentrate more on how to better themselves. Thus, impolite and undesired behaviors will decrease.**
- **Through our Program, you'll learn about the range of interests your students are revealing, which will help you organize your college schedule. For instance, if you have a larger percentage of poets, writers and Speakers among your pupils, you may provide a special Platform for showcasing their abilities, which would eventually enhance the name, brand and reputation of your institution.**

HERE'S HOW UNIQUE ICONS CAN HELP YOU

- **Enhanced spectrum of corporate enterprises from the fields other than your regular recruiters may be drawn to your institution in order to hire your pupils to fulfil their KSA requirements. Your pupils will also get to join those organizations that suit their niche.**
- **Pupils who participate in this program will exhibit unmissable vibrancy in their outward behavior and expression. Consequently, there will arise increased public interest and curiosity about your institution and that further will lead to an increase in your brand image, and then that will reflect in zooming your admissions and revenue.**
- **Your institutions overall activities, including competitions, cultural events, sports, social clubs on campus, student chapters of various organizations, and the arts, will be enhanced by the Pool of Niche capabilities that your students have disclosed. All of these actions further improve the institutions brand image.**
